

WOMEN'S HISTORY MONTH ADVISORY MEETING PLAN

Good Morning!

March is Women's History Month, where women's accomplishments and contributions to history and society are celebrated. Today we will see how many famous women we can identify and we'll honor our own personal favorites!

Start thinking about someone (woman) that you admire for our Trophy Tuesday acknowledgement.

ACKNOWLEDGING WOMEN

01

The group member with a first name closest to the letter W starts the acknowledgment.

02

The greeter chooses one person in the group to greet and says, "Good Morning, _____. Who is a woman you'd like to acknowledge?"

03

The person being greeted replies with, "Good Morning, _____. A woman I'd like to acknowledge is ____ because _____."

04

The woman being acknowledged can be a famous person, a family member, or someone that is special to you.

05

The person who was greeted then becomes the greeter, choosing a new person to greet. Pass the greeting around until the last person greets the first person in the group.
